Dear Brian

Mayor's Charity Day, Sunday, 6th August

Thank you for dedicating the day to the Mayor's charity fund for Little Haven's and your generous hospitality.

You made myself and my daughter, Erin so welcome. We both had a wonderful time riding the railway and Erin was delighted by the experience, not least feasting on cakes and biscuits! I will be sure to visit with her again soon.

You all do so much good work in the upkeep of this little treasure of an attraction in Castle Point. The maintenance of the railway, buildings, and in particular, the grounds and your care for the trees is a real asset to the community.

I wish you continued success.

Your sincerely
